STONEBOAT

VINEYARDS

“Our vineyards, originally cleaned by hand by and named for the flat sledge called a ‘stoneboat’, boasts mineral-rich soils and encrusted calcium rocks, a testament to our heritage and perseverance.”

2021 Reserve Pinot Noir

The Details:

It is only in outstanding harvest seasons that Stoneboat Vineyards will release a Reserve Pinot Noir. This wine is a blend from multiple clones, showcasing the complexity and minerality of our Black Sage Gravel Bar. Aromas of red fruit (cherry and raspberry), cocoa, leather and earthy notes, linger to raspberry, black currant, spice and espresso on the palate. A mineral finish with bright acid and a medium body.
