STONEBOAT

VINEYARDS

2023 Small-Lot Riesling

Winemaking Notes:

Brand new to our portfolio and available in small quantities. Grapes were all handpicked and went through four weeks of fermentation in stainless steel tanks.

Tasting Notes:

Vibrant nuances of tropical fruit including banana and complemented by baked pear and a hint of bubble gum. Diverging from the traditional Riesling profile, this wine has bright acidity with a fruit forward expression. On the palate there is ripe lime and pineapple blended with creamy banana popsicle and lemon curd.

Harvest Notes:

Cases produced: 99

Vineyard: Miller Road

Fermentation: 100% Stainless steel

Harvested: October 3, 2023

Bottling date: March 9-10, 2023

Chemistry:

Alc: 10.2%

T.A: 8 g/L

pH: 2.96

R.S: 9.3 g/L
